

Details of Connector

Pin1: + (Red)  
Pin2: N/A  
Pin3: - (Blue)

Connector Type: SMR-03V-B (Light Side)  
SMP-03V-BC (Power Supply Side)

Specification:

|                |                         |                     |
|----------------|-------------------------|---------------------|
| MODEL          | WLTU2-26L50-W/-B/-G/-UV | -Y/-R/-IR850/-IR940 |
| Wavelength(nm) | 6500K/470/525/390       | 590/625/850/940     |
| Power Supply   | DC24V/2.4(W)            | DC24V/1.6(W)        |
| Weight         | 36g                     |                     |

|                         |                     |                                    |                         |                      |              |
